

The Kia Sonet, Reborn

The best just got better.

Movement that inspires

We are
Motus

The best just got better.

Get used to more SUV than ever.

The Kia Sonet goes fast forward on comfort, style and design. Get comfortable in the stylish, connected and spacious cabin. Enjoy simple controls and intuitive technology. It's a compact, classy dynamo with genuine SUV credentials. Get used to unlimited curiosity and inspiration. Get used to the best, only better.

Start with style.

Along with its cross-over capabilities, the new Sonet features sporty SUV contours and trim elements. A versatile rear hatch makes every journey a breeze. Stylish but fun, functional but future forward. Fierce on the outside, spacious and calm inside; the new Sonet is here to sharpen your sense of comfort.

Electric sunroof gives compact SUV enthusiasts a chance to connect with the outside world.

Stylish rear light clusters
Rear tail light clusters feature iconic Heartbeat graphics. They emphasise design continuity with the front headlamps.

*The SX trim comes standard with full LED headlights and taillights.

Striking headlights
The alluring shape of the Sonet's front grill and light housings is inspired by the eyes and nose of a tiger.

Rear Spoiler provides a sporty and dynamic appeal to the wild design.

Diamond-cut 16-inch alloy wheels
Alloy wheels with smooth, angled silver spoke elements give the impression of motion, even when standing still.

Sporty, sturdy profile
The sturdy C-pillars behind the rear doors feature sporty trim accents that highlight the shapes of the tailgate and rear side windows.

Get comfortable. Stay connected.

Begin every journey from a commanding height, with plenty of room to stretch. Enjoy refreshingly simple connectivity to help you stay informed and entertained.

Get moving with sufficient comfort and technology to keep your mind at ease.

*The SX and EX Trim come with a 10.25-inch TFT LCD Supervision Cluster.

The SX Trim comes standard with a 10.25-inch colour touch screen infotainment system.

8-inch touch screen infotainment

In addition to its easy touch controls for the audio system, the 8-inch audio display can show the screen image of a paired, compatible mobile phone by wireless phone projection using the Android Auto and Apple Carplay apps.

Bose Premium 7-speaker System

Lets your favorite tracks calm you through the chaos on the streets.

Rear View Monitor (RVM)

When the transmission is in reverse, the 8-inch audio display shows the area behind the Sonet, with parking guidelines superimposed on the video image.

4.2-inch mono TFT LCD screen

A full-colour instrument cluster keeps you abreast of what's going on under the hood.

6 Airbags as the new standard

The new Sonet offers the protection of a 6-airbag SRS system. High strength steel is applied throughout to improve rigidity, redirect impact forces, and protect the cabin and its occupants.

*From LS+ onwards

Precision-enhanced simplicity.

A well-matched drivetrain offers reliable and invigorating performance and handling around town. Safety and performance are integrated better than ever before thanks to computational power and a new platform design.

Electronic Stability Control (ESC) and Hill Assist Control (HAC)

When you are stopped on an incline, HAC momentarily holds the brake as you move your foot to the accelerator, so you can make a safe, smooth start, making your journey safe and reliable.

Front and Rear Parking Sensors

With ultrasonic sensors mounted on the front and rear bumpers, it warns of any obstacles when you maneuver into tight spaces, making parking and manoeuvring at tricky spots safe and simple.

6-Speed MT and CVT

The LX, EX and SX models offer a CVT automatic transmission, while 6-speed manual transmission is available in the LS and LS+ models only.

Bluetooth with voice recognition

Ventilation for 2nd row passengers

Always protected.

Manoeuvre the roads with confidence. The new Sonet is equipped with an intuitive Advanced Driver Assistance System (ADAS) Level 1 featuring 10 autonomous safety features that help make your drive more responsive with multiple safeguards.
